Tally and Picture Graph Builder

1st Grade Math · Interactive Math · Explore & Reflect

Name: _____ Date: _____ Class: _____

Get started

Collect votes for favorite fruits, show them with tally marks, a table or a picture graph, and answer how many in all, how many more and how many fewer. Open the tool and use it to answer each question.

Explore

1. How many votes are there in all? (Apples 4, Bananas 6, Grapes 3)

2. How many more votes do Bananas have than Grapes?

3. Which fruit has the most votes?

4. Add 2 votes to Apples. How many do Apples have now? Which fruits tie?
