Ten-Frame Builder

1st Grade Math · Interactive Math · Explore & Reflect

Name: Date: Class:

Get started

Fill two ten-frames with red and yellow counters to add, take away and make ten. The number sentence changes as you build. Open the tool and use it to answer each question.

Explore

1. Show 7 + 3. How many empty boxes are in the first ten-frame?

2. Show 9 + 4. Write it as 10 + __.

3. Show 8 + 5. How many yellow counters fill the first frame? How many are in the second frame?

4. Show 5 + 6, then 6 + 5. Are the totals the same?
