Picture and Bar Graph Builder

2nd Grade Math · Interactive Math · Explore & Reflect

Name: Date: Class:

Get started

Enter votes for favorite sports and see them as a picture graph, a bar graph and a table. Answer put-together, take-apart and compare questions. Open the tool and use it to answer each question.

Explore

1. How many votes are there in all? (Soccer 7, Basketball 5, Tennis 4, Swimming 9)

2. How many more votes does Swimming have than Tennis?

3. How many more votes does Soccer have than Basketball?

4. If 4 more students vote for Tennis, how many votes will Tennis have?
