Area and Perimeter Grid

3rd Grade Math · Interactive Math · Explore & Reflect

Name: Date: Class:

Get started

Build rectangles on a grid or paint your own shapes from unit squares. Area and perimeter update as you go, so you can find shapes with the same area and different perimeters. Open the tool and use it to answer each question.

Explore

1. What are the area and perimeter of a rectangle 6 units long and 4 units wide?

2. Find two rectangles with an area of 18 square units.

3. What is the perimeter of a 5 by 5 square?

4. Rectangles with perimeter 12 can be 1 by 5, 2 by 4 or 3 by 3. What is the area of each?
