Clocks and Elapsed Time

3rd Grade Math · Interactive Math · Explore & Reflect

Name: Date: Class:

Get started

Set a start clock and an end clock to the nearest minute. A number-line timeline shows the jump to the next hour, whole hours and minutes, and the total elapsed time. Open the tool and use it to answer each question.

Explore

1. A clock shows the hour hand just past 7 and the minute hand 3 marks past the 4. What time is it?

2. How much time passes from 3:10 to 3:55?

3. How much time passes from 8:40 to 9:15?

4. Recess starts at 1:25 and lasts 50 minutes. When does it end?
