Scaled Graph Builder

3rd Grade Math · Interactive Math · Explore & Reflect

Name: Date: Class:

Get started

Show pet votes on a scaled picture graph (each face can stand for 2, 5 or 10) and on a bar graph that counts by 2s, 5s or 10s. Answer how many more and how many fewer. Open the tool and use it to answer each question.

Explore

1. With a key of 2, how many faces show Fish (20 votes)?

2. With a key of 5, how many faces show Fish?

3. Dogs have 12 votes. Can a key of 5 show 12 with whole faces? Explain.

4. How many votes are there in all? (Dogs 12, Cats 8, Fish 20, Birds 6)
